SUPPLEMENT TO  
REPORT NO.

1. The Chinese Communists have established the Ordnance Technological School

of the People's Revolutionary Military Council at Hsits'ang (赤 岗),  
near Tunghsien (116-39, 39-55). The first class of over 1,700 men

started training in [REDACTED]

25X1A

2. The students are divided into two regiments:

a. The 1 Regiment, also known as the elementary ordnance technological section, of 1,200 men will receive an eighteen months course in armament manufacture.

b. The 2 Regiment, also known as the advance technological section, of over 500 men will receive a two-year course specializing in ordnance planning and research.

3. All the students will take general courses, including political and basic military training, for three months preceding their specialized studies.
